

## How to access the most current product documents

Click the following link to access the **Product Documents** web page:

<http://cdn.na.sage.com/SageMail/zCREDocs/CREDocs.html>

On the **Product Documents** web page, you can view the following items related to your Sage 300 Construction and Real Estate software:

- Documents (such as Release Notes) and videos for recent releases.
- Year-end documents.

In addition, you can view documents for other Sage Construction and Real Estate software products, such as Sage Estimating.

### Technical Assistance
